RICH WALL Finishes

ALL IT TAKES IS A FRESH COAT OF PAINT TO REENERGIZE A ROOM
Colors that work best for you look better with Rich Wall.

- Superior washability
- Stain resistant
- High hiding
- Spatter free

#600 Flat

#630 Eggshell

#620 Matte

#670 Semi-Gloss

When bringing in the latest paint colors in your home, Rich Wall finishes provide premium value that makes things easy for you. These spatter-free, waterbase formulas are easy to apply and they'll last until you're ready for a new look.

We've built all Rich Wall finishes to be stain resistant, scrubbable, mildew resistant and all around highly durable.

Available in four attractive gloss levels and virtually unlimited colors.

CEILING

LIGHTS LOOK BRIGHTER, ROOMS FEEL BIGGER
A freshly painted ceiling feels like the light of day just broke through.

- Ultra-Flat Matte Finish
- Spatter Free
- High Hiding
- Residential and Commercial Use

Everything in the room looks better with a freshly painted ceiling. This ultra-flat finish provides a uniform look on all types of ceilings, including drywall, plaster, tongue-and-groove, acoustic tiles and more.

For use on new and previously painted smooth and textured ceilings.

Formulated to resist mildew growth in high humidity areas, such as bathrooms, kitchens and laundry rooms. Anyone can get great looking results with this spatter-free ceiling finish.
