

7300/7400 Low Temp Paint and Primer in One

GREAT FIRST IMPRESSIONS START WITH YOUR SIGNATURE Enduring quality starts with our Signature PLUS

This premium quality self-priming acrylic eliminates the need for using a separate primer on many surfaces. A perfect solution for drywall, plaster, stucco, concrete, wood, HARDIPLANK, hardboard and other surfaces, inside and out.

The superior durability and long-lasting color retention of this finish keeps it looking better longer in all climates and weather extremes.

It is easy to apply, provides excellent one coat coverage, and a durable finish that resists dirt, streaking, fading and mildew.
