PRIMERS

# Primer Products

## Truly Universal: Grips, Seals and Kills Stains

The perfect foundation for your next coat.

- Excellent Stain Blocking
- Bonds to Gloss Surfaces
- Interior and Exterior Use
- Mildew Resistant
- High Hiding

This whole-house primer delivers outstanding performance both indoors and out.

Prime virtually any surface with confidence. Sticks to glossy surfaces without the need to sand. Lock down, and seal in problem stains with this premium fast drying waterborne acrylic primer.

Your ideal choice for drywall, plaster, wood, masonry, block, ceramic tile, vinyl siding, aluminum, galvanized metal and more.

Holzout 26

## Goes on, lays down, and sands smooth

A great looking finish needs a great working undercoat.

Holztite 7-11

Holztite 7-22

- Sands Smooth Easily
- Excellent Enamel Holdout
- Primes & Seals
- Strong Adhesion

High expectations for finish quality can only be met by choosing the right undercoat.

When coating cabinets, doors, furniture, trim, and railings, start with the smooth surface you get with HOLZTITE undercoats.

Available in both waterborne acrylic and alkyd formulas.

Premium quality multi-purpose primers for use under virtually any architectural finish.
