**300x**  
Acrylic Latex  
TRAFFIC MARKING  
PAINT

**Bright and High Visibility colors** provide excellent lane marking for roadways, crosswalks, parking lots, fire and safety zones, etc.

A durable lead-free waterborne latex traffic marking paint formulated for a variety of applications.

It resists exposure to oils, water, and road salts commonly used for ice removal.

Glass beads may be sifted onto the freshly applied coating for additional reflectivity.

Formulated to meet Federal Specification TT-P-1952B for quality and performance.
