Pigmented Deck and Floor Coatings

#4200 Patio & Deck Coating

This smooth, low sheen 100% acrylic finish resists fading and chalking in full outdoor exposures. An interior / exterior deck coating that's easy to apply, provides excellent coverage and dries to a hard durable finish that resists cracking, chipping and peeling.

- Gives Floors Tough, Long-lasting Protection
- Durable and Weather Resistant
- Scuff Resistant
- Easy Water Clean-up
- Recoat in as Little as 4 Hours

#4500 Driveway & Floor Coating

A high performance 100% acrylic driveway coating that's formulated specifically for use on driveways, floors, car ports, pool decks, patios, walkways and other cementitious surfaces. Resists hot tire pick-up, tire marking, and common household chemicals.

Revive concrete and brick paver surfaces, for foot or vehicle traffic, with this durable coating.

- 100% Acrylic Waterborne Formula
- Hard, Durable & Wear Resistant
- Resists Chipping & Peeling
- Resists Fading & Chalking

#500 Silicone Acrylic Concrete Stain

A durable coating that penetrates, seals and waterproofs concrete driveways, walkways, garage floors and patios, as well as vertical surfaces like brick, stucco and precast concrete walls. This concrete stain is easy to apply and dries quickly to return surfaces back to service.

Provides excellent wear resistance and superior weatherability. For exterior use.

- Solvent Acrylic Formula
- Prevents Moisture Penetration
- Resists Staining
- Superior Wear Resistance
- Superior Weather Resistance

#4600 Anti-Slip Coating

This textured floor coating is a special 100% acrylic finish specifically designed for application to surfaces where safety is a primary concern, including...

- Walkways
- Ramps
- Loading Docks
- Retail Entrance Areas
- Handicap Parking
- Catwalks
- Sports Surfaces
- Patios, Decks and more.

Resists weathering, cracking and fading. Great for interior or exterior use.

Clear Protective Sealers for Pavers and Concrete Surfaces

#51 Solvent Acrylic Paver Sealer

Protect and beautify your exterior brick pavers, decorative stone, stamped concrete and brick with this rich durable clear sealer.

Richard's Solvent Acrylic Paver Sealer provides superior toughness and durability that protects against the penetration of moisture, oil and grease stains. For exterior use.

This clear sealer applies easily, resists hot tire pick-up, resists chemical staining and is non-yellowing. For exterior use.

- Brick Pavers & Stamped Concrete
- Driveways & Garage Floors
- Decorative Stone & Chattahoochee
- Walkways & Patios

#53 Waterborne Concrete Floor & Driveway Sealer

Rugged durability, weather resistance, and ease of use all come together in this 100% acrylic waterborne clear sealer.

Seal and finish bare or previously painted surfaces, including pavers, stone, and decorative concrete.

This wear resistant clear is designed for interior or exterior use on areas such as patios, walkways, driveways, and pool decks.

- Easy to Use
- Long Lasting, Inside and Outside
- Moisture Resistant
- Convenient Water Clean-up

Richard's Makes it Easy to Clean & Prep any Surface _____

#248 Oil & Grease Remover

Superior degreasing power that comes from a patented ingredient that safely lifts grease from any surface. Easily remove petroleum-based oils, vegetable and animal fats, along with dirt, soil and grime from virtually any surface.

- Non-Solvent Formula
- Easy to Use Concentrate
- Neutral pH Formula
- Lifts Grease & Oils
- Water Soluble
- Low Foam

#249 Concrete Cleaner & Efflorescence Remover

Restore the natural vibrancy of pavers, stone brick, river rock and other architectural concrete. Remove efflorescence and mineral stains that cause unsightly streaks and stains on building exteriors, planters, retaining walls and pavers. Prepare surfaces for clear sealers, stains or paints.

- Clean & Brighten Without Discoloration
- Gentle on Pavers, Brick and Stone
- Restore Natural Vibrancy
- Washes Off with Water
