ENAMELS

The Ultimate Finish for Doors, Trim, Cabinets and more  
Superior flow and leveling for a factory finished look.

**Available in:**

**1840** Waterborne Acrylic Satin  
**1850** Waterborne Acrylic Semi-Gloss

- Dries to a smooth "sprayed on" look
- Bonds to aged alkyds and glossy surfaces
- Print and block resistant
- Tough impact resistant finish
- Interior or Exterior Use
- Excellent color and gloss retention

This advanced formula is tough enough for many industrial and institutional applications, yet it's very user-friendly to both pro painters and consumers alike.

Thor Acrylic Enamel bonds strongly to aged alkyds and other "tough to paint" surfaces.

Ideal for use over primed or previously painted wood, metal, drywall and masonry surfaces.

These super-scrubbable finishes resist household chemicals and stain, clean up easily, and look amazing for years.
