

Driveway &  
Floor Coating

Est. 1954

3 EnduraTread

# EnduraTread

## Next Gen Hybrid Acrylic Tech

*For driving, parking, and walking surfaces*

### Ideal Applications:

Driveways • Walkways • Pool Decks  
Patios • Garage Floors • Car Ports  
Stairways • Loading Docks

Its advanced formulation provides a hard, protective barrier that stands up to the challenges of daily use while maintaining its smooth satin finish.

Engineered for superior protection and performance in demanding environments, EnduraTread delivers durability in a premium hybrid acrylic coating designed to handle the toughest demands of both pedestrian and vehicular traffic.

EnduraTread shields surfaces from automotive fluids and common household chemicals, making it ideal for garages, driveways, and high-traffic commercial areas.

- Resists chipping, cracking, and peeling
- Excellent adhesion
- For interior or exterior application
- Mildew resistant formulation
