Bring Your Wood to Life with Five Beautiful Colors to choose from.

Deck Pro Semi-Transparent Exterior Stain and Sealer is ideal for use on decks, siding, fences and outdoor furniture.

This rich natural oil base finish uses transparent oxide pigments for the ultimate natural finish. These specialized pigments add the best UV protection available in a semi-transparent stain. Penetrates and seals wood fibers, enhancing the natural beauty of the wood grain, adding depth and warmth to the grain pattern.

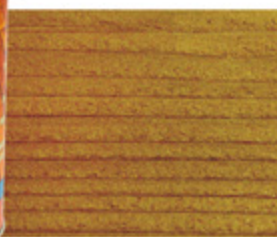

Protect your siding, deck or fence from wood rot, mildew, sunlight, and weather.

Will not blister, peel or crack.

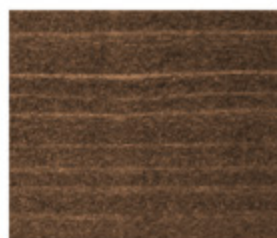

8900.10 Natural

8900.20 Cedartone

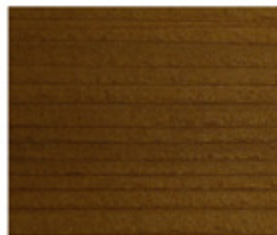

8900.30 Dark Oak

8900.50 Sienna

8900.60 Walnut
