## Professional Drywall Primer for Fast, Uniform, High-Quality Finishes

Engineered specifically for professional painters, RichTex Latex Drywall Primer delivers the dependable sealing, sanding, and surface-smoothing performance essential for flawless interior wall and ceiling finishes. Designed to create a uniform surface foundation that helps finish coats apply easier, look better, and last longer.

Whether you're prepping a single room or an entire building, RichTex keeps your workflow fast, consistent, and predictable—right from the first coat.

- Optimized for new drywall and porous surfaces
- Excellent Coverage & Sealing to even out porosity and reduce finish-coat absorption
- Superior Sanding Properties for smoother walls and cleaner final appearance
- Levels Surface Texture to help minimize minor imperfections

### Ideal Applications:
