**3100 Series**  
EnduraTread  
Epoxy Floor System

**Decorative, Rugged, and Easy to Maintain**  
Showroom quality floors with long lasting results.

EnduraTread 2-Part Waterbase Epoxy protects your high use floors from the abuse of impact, abrasion, oil, rust, cleaners, corrosives and grass stains.

This industrial-grade epoxy coating is easy to apply, and it cures to a highly durable protective film that resists hot tire pick-up.

Beautifies and protects your garage floor, workshop, mud room, laundry room, bathroom, and more. An ideal choice for common areas in commercial and multi-family buildings.

Floor base colors are available in Gray, Tan, Tintable White and Deep Base for a wide array of color options.

- Resists hot tire pick-up
- Stain and abrasion resistant
- Soap & water clean-up
- Excellent adhesion
- Resists most chemicals

Decorative chips are available in four attractive pre-packaged color blends.

Best-in-class performance for areas where you walk, drive, work and relax.
